

Soggetto coordinatore	Istituto di Scienze delle Produzioni Alimentari CNR
Titolo del progetto	Strumenti Innovativi per il Miglioramento della Sicurezza Alimentare: Prevenzione, Controllo, Correzione
Acronimo	S.I.Mi.S.A.
Descrizione del progetto	Diverse filiere alimentari e di trasformazione (carni, vino, cereali) rappresentate da aziende pugliesi porteranno avanti con il supporto del CNR e dell'università interventi per il miglioramento delle metodiche di identificazione di contaminanti microbiologici e chimici (tossine) mediante metodiche innovative (molecolari e analitiche).
TA/SG	TA6-SG11
Riferimento Bando	PON Puglia articolo 13, finanziamento del Ministero Attività Produttive.
Valore del progetto	€ 2.400.000,00
Pubblicazioni	<p>TA di riferimento: TA1, TA3, TA4.
